# ACHS Board Raises-Levy 29.5 Percenf

Education approved the publishing of the raise in the high school district's levy by 29.51 percent or \$860,000.

The new levy amounts to \$3,740,000 compared to last year's levy of \$2,888,410.

The largest single levy raise was that of the education fund which rose \$660,000.

Other significant hikes were in the life safety work fund, the Illinois Municipal Retirement Fund, and the building fund; all going up \$80,000.

The municipal retirement fund concerns the non-teaching staif of the high school.

"We've been spending more than we've been taking in for the last few years so it was time for a levy raise," said ACHS business manager, Ken Werschem.

The raise in the life safety-work fund came

from the total of many small costs that all The Antioch High School Board of added up, plus \$30,000 for new bleechers in the north gym. Last year's life safety levy only went up \$20,000.

> The item levy that showed the greatest decrease was transportation which went down by \$40,000 because of state aid payments applied to that fund.

The high school district received an additional \$5 million in assessed valuation properties last summer when the Lake County regional superintendent's office answered a petition from property owners in the Crestwood Estates subdivision, just east of the Lake Villa Twp, Park, to annex to school Dist. 116(ACHS):

The petition asked for a transfer from the Grant Community High School (GCHS) Dist.

The newspaper office will be closed Thanksgiving Day:

#### Village Denies **Zoning Change**

The Antioch Village Board of Trustees turned down a petition Nov. 18 to change the zoning of a Main St. lot from single-family to this fall at the high school. After two dances multiple-family.

The petition of Dennis O'Donnel requested that zoning for 614 Main St. be changed to allow a three-family dwelling, but the village denied that request because nearby residents wanted to keep the area single family.

Before Monday, O'Donnel's request was approved by the planning commission and denied by the zoning board.

In other news, the board accepted the low bid of \$32,780 to paint the water tower on Anita Ave. Craftsmen Tank Service, of Midlothian, Ill., was the low bidder.

#### Residents Strive To Re-Open Teen Dances

by KAREN WILTBERGER

Antioch residents are trying to start up a teen canteen for Antioch Community High School students, an event they say is much needed after Friday night teen dances at the high school folded two dances into the fall.

The dances ran from March to June at the Antioch VFW building and started up again this fall, however, the dances were cancelled after event organizers could not afford \$2,500 for liability insurance, said Wayne Parthun, one of a handful of organizers.

residents who organized the first teen dances (Continued on Page 3A)

are looking for alternatives. Another group of three concerned parents, who only a few weeks ago decided to form a teen canteen, may be the answer.

Antioch resident Kathy Malicki, who had not yet contacted organizers of the first teen dances, said the group is interested in holding Friday night teen canteens at Windy City Circus Troupe and School for the Circus

Edward Sheehan, director of the school, said, "if it (a teen canteen) can go, the school Parthun and several other Antioch is here." He said the school could easily hold

#### **Bids Too Costly For** Dredging Of Channel

dredging project of a small channel north of Lake Catherine has left Antioch Twp.without much hope.

Antioch Twp. Supervisor Jim Fields said channel. the bids received Nov, 14 are twice as high as anticipated for a project expected to cost about \$50,000. #### Select 4 Men For Inclusion

The Board of Advisors for the Outstanding Young Men from nominations received of America awards program has announced that four men in the Lakeland readership area have been selected for inclusion in the 1985 edition of Outstanding Young Men Of America.

Selected were: John Paul Groff (Gurnee), Edison Richard Sankey (Antioch), John Robert Burns (Lindenhurst) and Kurt William Lindemann (Grayslake).

These men were selected senators, from congressmen, governors, mayors, state legislators, and university and college presidents and deans as well as various civic groups.

The four men, along with fellow Outstanding Young Men throughout North America will be featured in this prestigious annual awards publications.

#### **Warren Library** Honors Geo-Karis

Sen. Adeline J. Geo-Karis, R-Zion, has been honored by the Warren-Newport Public Library Board of Trustees for her successful efforts in gaining approval of a bill the library requested.

Sen. Geo-Karis received a Resolution of Appreciation from the trustees for "her dedicated service to the district and its citizenry." It recognized her work in introducing and gaining passage for SB 265, which permits library districts to establish Taxing District Reserve Funds for the purpose of paying tax refunds when necessary. Library districts previously were not for this purpose.

"I was happy to be of help to the Warren-Newport Library and the other libraries of our state," Sen. Geo-Karis said, "Libraries are among our most valuable resources, and I like to back them every way I can. I certainly appreciate the commendation from the Board of Trustees."

#### Panthers Gain Respect, Looking For More

by MIKE PRAMSHAFER

The Round Lake Panthers made a remarkable comeback last year and it doesn't look like that comeback is over.

After winning only one game throughout the 1983-84 season, new head coach Bob. Ward directed his 1984-85 Panthers to a 12-13 overall record and brought respectability back to Round Lake's cager

The comeback isn't over yet, as Ward has three returning starters back this year, including Frank Ptak (all-conference).

Ptak (6-3), along with Doug Sparks (6-3) and center Greg Kreitner (6-7) will provide plenty of leadership and scoring for the Panthers this year.

Ptak finished with a 14.9 scoring average last year, while Kreitner and Sparks also finished in double figures.

Gone from last season's squad is all-

conference performer Brian Horn, Dan Duax and P.J. Ronayne.

Ward believes his three returning starters have the ability to make the Panthers contenders for the Northwest Suburban crown.

"The top teams in the conference this year will most likely be Marengo. Grayslake and Grant; along with ourselves. It's going to be a tough conference race." Ward said.

Aside from the returning starters, there are four other seniors who will see plenty of action: Greg Smith (5-10), Stu Sullinger (6-0). Troy Haines (6-0) and Bobby Proteous (5-9).

Haines and Proteous are both rebounding from a successful football season, so they hope to carry their winning ways with them on the basketball court.

"Our practices have been very competitive. Our starting positions are not set. as of yet, so everybody is fighting for a starting spot," Ward said.

Ward is carrying 13 players on the roster this year, with a good mix of seven seniors and six juniors who are all capable of playing, according to Ward.

His juniors include: Keith Schmidt (5-9), Sal Milianti (5-9), Bob Akers (6-3), Dave Antezak (6-0), Jim Bills (6-3) and Ken Lime (6-0).

Akers is a transfer student from Libertyville and Ward is looking for some big things out of him.

The coach said his team will primarily be using a man-to-man defense, with situational presses.

"We want to put a lot of pressure on our opponents and hopefully force some turnovers. We'll also be using a press every now-and-then to throw them off-guard."

Ward said

Ward believes the Panthers' main strength will be its inside game, with Kreitner and Ptak.

"Our kids have the potential to be real tough inside. If they can keep developing the way they have been, they will be real tough," he said.

The Panther mentor, who is assisted by Brian Brown, a Grant High School graduate, also feels the team's depth is another key.

"We have a lot of kids who will see a lot of action, and we should be able to wear most of our opponents down.

"Right now, we're in better shape than we were last season at this time. Our kids are giving 100 percent at practice and I think it will pay off in the games," Ward said.

The Panthers will open their season up at home in their own Thanksgiving Tournament on Nov. 27, 29 and 30.

# Defending Champion Title Is Top Goal For Rams

Grayslake's varsity basketball team may be smaller this year, but coach Greg Groth is hoping that the team's quickness will lead them to another winning season.

"This year's team is not only quicker but deeper, too," he said "We're 12 guys deep which means that more people will be able to play. This is the first time we've ever had that since I've been here."

When basketball season starts on Nov. 21, Groth hopes the Rams will be able to hold their title as defending regional champions. With an overall record of 17-

10, the team came in first in with a score of 11-3 in conference last year.

"We should be in the top three this year," he said. "In the tournament, though, you never know." With smaller players, however, Groth said his main goal will be for the team to run the ball out.

"Hopefully, we'll play the games with our best attitude," he said:

Four of the team's top seven players are returning from last year. Returning players are starters Tom Castino, guard (5-8); Kelly Bye, guard (5-9); and Jeff West, forward (6-3); and John Lui, forward (6-1)

Other returning lettermen are starters Randy Reidel (6-3), who substituted last year, and Ken Melton (6-3). Newcomers to the team are seniors Bill "Snake' Sangbusch (6-3) and Daryl Mackenthun (6-0), both forwards.

A number of juniors already showing a lot of promise are Butch LeNoir (6-0). Andrew Flood (6-2), and Mike Langer (6-1). Other junior are Ray Magiera, center (6-1), Eric Olson, guard (5-10), and Jim

ITHI

Weidman, guard (5-8).

Assistant coach for the varsity team is Troy Harper who also coaches the sophomore team. Dave Bogenschutz will coach the freshmen team.

The week after the Rams' opening game against Crystal Lake at home, they will play in the Thanksgiving Tournament against Cary Grove at 6 p.m. Wednesday, Nov. 27, Wauconda at 6 p.m. Friday, Nov. 29, and Round Lake at 7:30 p.m. on Saturday, Nov. 30.

#### Mustangs Shoot For Defense In 85/86

A strong defense is the goal coach Dennis Kessle is looking forward to the varsity basketball team when they start the season with a home game against Zion-Benton on Friday, Nov. 22.

With a number of good shooters on the team, the Mustangs could place as a possible contender for this year's conference, Kessle said. Among the top shooters are returning players Jay Retzinger, forward center (6-5), Andy Bond, guard-forward (6-2), and Jim Tipperreiter, forward (6-2).

Also returning to the team is junior Dan Word, guard (6-0), and lettermen Eric Regez, guard (5-9), and Jeff Geary, guard (6-0). Newcomers to the team Joe Wiener, center (6-5), and Tom Zentz, guard (5-11).

Kessle said among the team's goals will be to hold their oppnents at 52 points. Starting lineup has not yet been chosen. Among their achievements last year, the Mustangs won seven of the last 11 games and beat Libertyville. Their overall record was 11-14, and came in fifth in conference with a record of 9-9.

Coaching for the sophomore team will be Chuck Gandolfi. Gary Stark will coach the freshman team.

#### Blue Devils Approach Season With Optimism

by STACIE ELLIS

With a roster of strong varsity hoopsters, Blue Devils' head coach Darrel Bader opens the season by aiming for the league championship title.

"The team wants to win 20 games, the regional tournament and the conference championship," Bader said.

While Libertyville and Mundelein will also be likely contenders for the championship title, Bader believes those teams realize the challenge they face against the experienced Warren Twp. High School team

With a 1984-85 record of 19-8, Bader and assistant coach Len Chimino are "optimistic about this ball team. We've got good experience coming back," Bader said.

Returning to the team as starters are the following lettermen: senior all-conference guard Joel Elfring (5-11), who led the team

in assists last year; junior all-conference Brian Jarrell (6-4), last year's second leading scorer and rebounder; senior center Al Davis (6-5), who started on-and-off in many games last season; and senior forward Bob Bell (6-5), who played in most games last year. From last season's JV, team are senior guards Russ Nolan (6-3) and Pat Kowalski (6-0).

The team is completed by the following players: senior forward Chris Morgret (6-2), from last year's JV; senior Ben Kibbe (6-0), and juniors Dave Lambert (6-0), Brad Bietzel (5-8), Jason Lenzi (6-1) and Bob Kuchar (6-3). One position remains to be filled.

"We're going to be pretty strong inside," Bader said. "How successful we will be depends on how the team works together and if we can avoid injuries."

Practice has begun for the Mundelein Varsity Tournament to be held Nov. 27-30 at Mundelein High School.

#### Corsairs Shooting To Remain Atop ESCC

by MIKE PRAMSHAFER

The Carmel Corsairs have a rough job ahead of them in bettering their varsity basketball performance of last year.

The Corsairs were 24-6 last season and made it to the "Sweet Sixteen" of the IHSA playoffs before bowing out to Hersey in the quarterfinals.

They were also co-champions of the East. Suburban Catholic Conference with St. Joseph. Both teams finished conference action last year with 12-2 marks.

This year, head coach Frank Belmont only has one starter returning from that 24-6 squad, Rod Whittier (5-9).

Whittier will most likely be joined by returning letterman Rodney Lambright (6-0), who saw plenty of action last year as a reserve.

Both men are seniors and should provide a lot of leadership throughout the course of the season.

Other seniors on the 1985-86 squad are as follows: George France (6-0), Mike Curley (5-11), Mike Bruns (6-1), Scott Peterson (6-2), Tim Stefaniak (6-2), Bob Offner (6-0) and Greg Mark (6-0).

Belmont is carrying 17 players on the team this year, one more than what he had to work with last year.

Promising juniors that might see some action are Rob Graham (6-5), John Welling (6-1), Steve Bruns (5-10), Tom Johnson (6-1), David Chittaro (5-11), Aubrey O'Bryant (6-1), Dan Halverson (6-2) and Jerry Maloney (5-10).

Even though the Corsairs have many promising players for the 1985-86 campaign, they will be hurt by the loss of seven graduating seniors off of last year's team.

Gone from last year's team are Brian Muellner (all-conference and all-county), who led the county in scoring with a 23.9 average; Bill Graham (Mr. Clutch), who scored the winning basket against Libertyville in the Warren Regional last year; Thad Whittier (Rod's brother); Tripp Geiger; Dave Karwoski; Bill Wesley; and Shawn McDermot.

Belmont believes the key to success this season for the Corsairs is to apply pressure defense and to force a lot of turnovers.

"We're going to be using a lot of people because of our pressuring defense. Our defense was the key for us last year and it will be this year too," he said.

He said his squad will also try to move the ball upcourt quickly to catch the opposition off-guard.

"We have a lot of good ball-handlers and we're going to try to use them to our advantage," Belmont said.

"Whittier is a fine, clutch player. He has the experience and talent to be our leader, but I think it will be a group effort that will win games for us this year," the coach added.

When asked if he thought last year's

superb team will put any pressure on this year's squad, Belmont replied, "No, I don't think it will. We have the right attitude in that we can't compare teams. We have different kids with different skills this year and we'll be playing teams who are in the same boat."

Belmont said his team's goal this year will be to play one game at a time and to not look ahead toward other games. "We have to take each game as it comes. The main thing is to get better every day," he said.

The coach looks for St. Joseph, St. Viator and Marist to be the powers in the East Suburban Catholic Conference this year, with his team as a potential contender.

The Corsairs defeated St. Viator twice last season and split their games with St. Joseph and Marist.

"It will be a competitive conference this year and it should be pretty exciting to watch," he said.

# New Coach Out To Turn Skyhawks Into Winners

by KAREN WILTBERGER

Don't underestimate the potential of the Johnsburg varsity basketball Skyhawks this season. With last year's 25-0 record and an Iowa state basketball championship under his belt, Doug Hofmeister has come to build up Johnsburg's 18-player team to a "winning tradition."

Hofmeister's record at a high school in Lone Tree, Iowa, stacks up to 64-6 over the last three years. Despite Johnsburg's overall 8-17 (4-10 conference) record last season, he says he has the right kids to get the basketball program back on the track. "If we can get the ball rolling, we're going to get a good tradition started," Hofmeister said. "We're out to gain respect and prove ourselves."

Three of last season's top scorers are back this season to claim spots on the team's starting lineup. Junior guard Frank Husak (6-0), senior center Tim Shine (6-4) and senior forward Bill Dust (6-3) have already been chosen as starters.

Other promising returning lettermen are senior guard Tom Walsh (5-10), senior guard Mike Toussaint (6-2) and senior forward Rick Easterling (6-2). Another

hopeful returning for another season is senior guard Bob Boak (5-10).

Hofmeister expects a bright season from newcomers junior center Ron Szat (6-5), junior guard Brian Frazier (6-0) and junior guard Chris Bonus (5-7).

Other newcomers expected to see a lot of action are junior guard Jeff Huemann (5-7), junior forward John Drogosz (6-0), junior guard Phil Cook (5-9), junior forward Kevin Moore (6-2), junior forward Paul Owen (6-2), junior forward Ken Barrett (6-2), junior forward Brian Walsh (6-0) and senior forward Bill Brown (6-1),

who had suffered a knee injury at the opening of football season.

Hofmeister said this season's schedule is very competitive, but not overwhelming. "From what I hear, the top three teams this year are expected to be Marengo, Grant and Grayslake. But that's not to say that we can't fit in the top three." he said.

Hofmeister, who is taking over for head coach Ben Beck, who led the team for four years, will be assisted by Bill Hurkes.

Gearing up the sophomore team is head coach Dave Dombroski and starting up the freshmen team is head coach Kent Farlow.

# Newcomers Build Grant's Chances For Title Win

by KAREN WILTBERGER

The Grant varsity basketball Bulldogs may not have much experience this season, but nine juniors are up from a sophomore team that finished last season as conference champions with an overall 25-2 (14-0 conference) record.

"We don't have any experience," said 11-year head coach Tom Maple. "But we do have some good people."

Possible starters from last year's sophomore team are center Ron Richford

(6-1), forward Jeff Bieniasz (6-2), guard Mike Kazlausky (5-9), guard Mike Mc-Donald (5-10) and guard Marc Borton (6-1).

Other possible starters this season are senior guard Rich Ruesch (5-10) and junior forward Tom Barr (6-5).

Though the Bulldogs have no returning lettermen this year, four seniors will return from a varstiy team that finished third in the conference last year with a 9-5 (14-14 overall) record. They are: forward

Sean Trudell (6-1), forward Dirk Bengston (5-10), guard Heath Schexnider (6-0) and guard Mark Mallowy (5-9).

Promising newcomers are center Adam Taylor (6-3), guard Mark Putz (5-9), guard Bob Beskow (5-10) and center Bill Helton (5-11).

Maple said the team faces very tough non-conference play this season, particularly that at the Harvard Thanksgiving Tournament and the DeKalb Holiday Tournament. "But I think we can be real tough by January 1," Maple said, looking forward to the last 11 out of 14 conference games of the season. Maple, in hopes of contending for a conference title, said Marengo, Lake Zurich and Round Lake will be the teams to pursue.

George Faoro will assist Maple with the varsity team. Gearing up the sophomore team is Fritz Kazlausky and starting off the freshman team is Dave Einhorn.

# North Suburban: 6-Team Race

by DAVE ZINN

Dunkfests, screaming fans, good officiating and boisterous coaches. It's that time of the year again so lace up the hightops and saddle up for another year of action-packed prep basketball in the Northwest Suburban Conference.

There are no dynasties or early season favorites in the "black and blue" conference, otherwise known as the NWSC. It's probably the most balanced conference in Northern Illinois.

The defending champions, the Grayslake Rams, crept into the sectionals last season before bowing out to Woodstock

One may wonder which will be the true Rams team. A team of swift, crisp-picking bunch of overachievers or a group that played over its head and depended too much on (6-6) Gary Link, who fell to graduation a year ago.

"We're gonna be tough this year," says if first year coach Greg Groth, "we'll be smaller but quicker and we'll have more depth The 11-3 NWSC champs come back with Tom Castino, Kelly Bye, Jeff West and John Lui. They excel in fundamentals and team playing.

"Link was one heck of a player," says Groth, "but we'll be better defensively and probably press the whole game."

Transfer student Darryl Makenthun and senior Bill Sangbusch are two new players who will set the tone early for the Rams.

The Rams need a spark and if Groth can generate it; look-out! The Rams will light up the sky.

The Johnsburg Skyhawks may be a totally different team this year with their Coach Doug Hofmeister.

Last year the Skyhawks couldn't buy a victory or respect, but the new coach may make people turn their heads in the NWSC.

Hofmeister coached the Class A champs, Lone Tree Iowa, to a 25-0 record last year and a 64-6 record the past three years. So why would such a successful coach

move on to a team that was 4-10 and 8-17 overall?

"It was time to go on...you get tired of

one place," he replied. So in comes Hofmeister to "test the water" someplace else.

Bill Dust, Tim Shine (who led the team in rebounding last year) and Frank Husak can score and sore with the best of them, as they will lead this team in the balanced NWSC.

But the player Hofmeister can't afford to lose is Mike Tussan (6-2), who Hofmeister feels "... is the best shooter I've ever coached."

Being a new coach means the team-willbasically start from scratch and try to develop a winning tradition at Johnsburg.

"The freshman and sophomore groups are good and the eighth grade crop is dynamite," exclaims Hofmeister.

"We're developing a solid feeder system at the lower levels," he said.

However the season goes for the Skyhawks, one thing is for sure, basketball will become a tradition Skyhawk fans will look forward to.

Meanwhile, over in Wauconda, Bulldogs'

head coach Chuck Neary is in his third year.

Neary will be calling on standouts Mike Thirtle, Paul Nibbio and Kyke Eckman to carry the load this season. "We'll do what our personnel says we can do," says Neary.

Junior newcomers Pat Schaller, Rob Haefke and Ken Mrozek will help a seniororiented team that will be "scrappy, and always playing hard," explains Neary.

The season will be interesting for the Bulldogs in the NWSC if they want it bad enough.

"If we win the close ones, we'll have a lot of wins." says Tom Maple, in his 11th season at Grant.

Maple must worry how to replace nearly the whole team which ended up 9-5 in the conference and 14-14 overall last year.

Easy, he has all of the juniors from a 25-2 -sophomore team coming up.

Mike Kzalauski (5-8), Marc Borton (6-1), and Jeff Bieniesz will lead a young, but

# More Aggression On Sequoit Goal Agenda

The Antioch varsity cagers will face a building challenge this year, but Coach Don Zeman thinks that he might have the material to better last year's 8-10 conference record.

Only two lettermen are returning, but they are important ones, center Dave Grindley(6-7) and senior forward Don Gunther(6-4).

"We are looking to be more aggressive this year and I think we can do it," said Zeman, adding that most of his players did a lot of playing during the summer and also during the football season since few of them were on the grid squad.

Zeman is expecting good performances and some surprises from senior Rick Reitmayer(6-5) who didn't play last year, and the same from senior forward Matt Weber(6-4) and two senior guards, Mike McGrain(5-11) and Sean Wiltse(5-10).

Zeman is optimistic about his juniors since the sophomores had a good season last year although three starters from

that team transfered.

The two juniors that are expected to add to the Sequoits win list are center Don. Kiesgen(6-5) and forward Wade Kilman(6-

"If the juniors give us the support I think they can, we should be a challenger in the North Suburban Conference," Zeman said. Zeman is expecting to face one of the conference's best teams, Libertyville, during the Barrington Thanksgiving Tour-

nament on Nov. 27, 29 and 30. The Sequoits open against Barrington and will play Elgin-Larkin on Nov. 30.

Zeman expects the Sequoits play during the entire tournament, and especially the games against the Libertyville Wildcats(good bets to lead the conference), to forecast Antioch's season.

Antioch may face the proof of the cage pudding early in the season, as they will start regular season play aginst Niles North, another team that is expected to pace the conference, on Dec. 3.

#### 12 Bulldogs Return For Basketball Season

With 12 returning players, Wauconda, varsity basketball coach Chuck Neary predicts a challenging season for what he deems smaller-than-average hotshots.

"We're going to have to put a lot of pressure on the opponents because we're small," Neary said.

Neary and assistant coach Jim LePage are busy rounding up the team up for the first home game against Rochelle on Nov.

Returning Bulldog lettermen are seniors Bob Babiak, (5-9), 150 lbs.; Mark VanZeyl. (5-11), 140 lbs.; Paul Nibbio, (5-11), 150 lbs.; Phil Elwell, (5-10), 150 lbs.; Scott Teuber, (5-11), 165 lbs.; Mike Thirtle, (6-2), 160 lbs.; Kyle Eckmann, (6-5), 195 lbs.; and David Parmer, (5-10), 150 lbs. Parmer

won't be joining the team until January.

Promising newcomers are senior Dan Bertelsen, (6-0), 165 lbs.; juniors Ken Mrozek, (6-0), 165 lbs.; Rob Haefke, (6-0), 195 lbs., and Pat Schaller, (6-0), 170 lbs.

With a 9-16 record last year, placing 7th in the Northwest Suburban Conference, the team has high hopes to break out of the

varsity Bulldogs' 7-year losing streak.
"We hope to be '500'," coach Nerry says.
The Bulldogs will be participating in a four-team Turkey Tournament that will take place on Nov. 27, 29 and 30, at Round Lake Senior High School.

Their first game will be against the Round Lake Panthers at 8 p.m., on Wednesday, Nov. 27; Grayslake at 8 p.m. on Friday, Nov. 29; and Cary Grove at 6 p.m. on Saturday, Nov. 30.

#### **NSC** Race

(Continued from Page 6) experienced Bulldog team.

"Last year we survived on offense," stated Maple, "we're very smart and hard working and we'll always look good."

Gone are all-conference players Mark Kohl and the team's leading scorer Frank Wehrstein.

Maple might miss the automatic scoring. We'll be more of a defensive team," says Maple.

In all, if Grant's defense matures fast enough, the Bulldogs may win the close ones and the waiting will end.

Two years ago, Round Lake was 1-24 on the season and the school was in need of a change. Then in stepped the pride brothers, Mike Dunn (football) and Bob Ward (basketball).

The Panthers went into the 1984-85

season under Ward's supervision and won, 11 more games than the previous year.

The Panthers are now getting ready to battle for the NWSC crown, and there will not be an empty seat in the house.

"With all the pride in this school," states Ward, "the players all feel good to be part of this team."

"We have a very strong front line," said Ward.

Frank Ptak (6-3) is a three-time letterman and was chosen for last year's All-Conference Team. At (6-6), Greg Kreitner is the premier center in the conference and (6-2) Doug Sparks can score on anybody.

The feast of players does not end there: Greg Smith, Stuart Sullinger and Troy Haines will also work up a sweat on the floor this year for the Panthers.

#### Lancers To Rely On Speed, Not Inside

Already, battle tested as the result of a season-opening tournament, the College of Lake County (CLC) basketball team learned a lesson.

The Lancers won't be overpowering anyone this year with an inside game.

The CLC attack, being designed by Dr. Bruce Smith, a 15-year veteran as the Lancers' first and only basketball coach, will be built around speed and ballhandling.

What height CLC possesses will be provided by Mike Kloberdanz, 6-3, 205pound sophomore center who prepped at Carmel High of Mundelein, and newcomer Dave Sitz, 6-41/2, 180-pound forward, who starred last season on Warren High's contending North Seburban Conference

Pairing with Sitz at forward undoubtedly will be Greg Washington, 6-2 and 190 pounds, a sophomore from Waukegan

Smith is expected to employ two of the better playmakers in northern Illinois junior college ranks at guard this season.

Expected-to-hold down regular backcourt positions are North Chicago's Art Baker, 6-2 and 170 pounds, who transferred\_ from Augustana College where he also played football, and Byron Petty, sophomore speedster from Chicago's . Hyde Park, who lettered for the Lancers last year. He stands 5-11 and weighs 165.

Five frosh will provide bench strength for the Lancers, who will be out to erase memories of a losing season last year.

- Smith said he hopes to add to the

following squadmen when the second semester begins:

Rydell Elliott, Waukegan East, 6-1, 170, frosh forward; Todd Gordon, Warren High, 6-11, 160, frosh guard; Vince Moore; Waukegan West, 6-0, 165, frosh guard; Ed Poulos, Antioch High, 6-1/2, frosh forward, and Otis Teague, Zion-Benton High, 6-2, 190, frosh forward.

Chuck Schramm, former varsity mentor at Highland Park High, will be serving as Smith's assistant again. Schramm doubles as tutor of the Lady Lancers basketball

#### Loss Of Ford May Hurt 'Cats

by DAVID ZINN

Last year the Libertyville Wildcats were one win away from making the "Sweet 16" state tournament.

This year head coach Max Sanders, in his seventh year, will have to rely on defense with the loss of Jim Ford.

"When you lose a guy like Ford, you lose a lot of offense." Sander's said.

At 12-6 in the North Suburban Conference last year (15-10 overall), the Wildcats still have a lot to look forward to this

Bryan Wilcox, a (6-6) senior, will throw his 210 plus pounds around underneath, while Brian Kielman, a (6-4) senior who came into his own last year, scoring 22 points against Carmel in a playoff game, will be called upon to score and help-Wilcox rip the boards down.

#### **Warhawks Plan** Winning Season

by DEVON NELSON

The North Chicago Warhawks 7-17 season last year was quite an initiation for first year Varsity Coach Lester Long.

Long, a former semi-pro basketball player, said the teams poor season was because "they were inexperienced in all areas."

"We started off on a good foot by winning the seasons first game in the Niles West Tournament in a double overtime, but we lost the remaining two games in the tournament against Forest View," Long said.

"After those games it seemed like everything just went downhill for the

Despite last years rugged season Long says that the attitude of the players are positive and that there's a lot of enthusiasm being displayed for the upcoming season.

This year Long said that the Warhawks will focus their attention on getting the ball down the court quicker by playing a more transition type of game.

He said the team has also been working hard on rebound positioning-something that really hurt the Warhawks last season.

Long said that he hopes to capitalize on the skills of returning letterman J.C. Coleman, who was selected as one of the top 50 basketball players in Chicago this year.

He said he also hopes that returning guards Excell Robinson and Vernon Jones, who came of the bench last year to spark the team in a few games will also be assets to the team.

"If Coleman can play up to his expectations and if he can get support from the other team members, the Warhawk's should be in the top three or four in the Northern Conference," said Long.

Long said that he anticipates the Warhawks to receive stiff competition from Mundelein, Antioch and Libertyville.

The Warhawks will go up against Libertyville in the teams first game of the season on Nov. 22.

Long, who has over 18 years of coaching experience under his belt, said that another project of his will be to re-establish North Chicago's reputation for having one one of the best teams in Northern Illinois.

"It's going to be a slow process but with the help from the community, parents, teachers and players, we can do it.'

#### SC Race

(Continued from Page 7)

Round Lake will be very strong off the bench with the likes of senior Bob Porteous and juniors Dave Antczak, Jim Bills, Ken Lime, Sal Milianti and Libertyville transfer student Bob Akers.

"Porteous will get some guard time,"

Brian Horn, P.J. Roynayne and Dan Duax are gone, but the Panthers remain

"The personnel is different, but mainly. we'll try to get the ball to the big three

The Glass Slipper may fit this year and with great fans, pride and positive attitude, the Panthers are set to fight for the conference championships.

#### Fields Attends 3-Day Local Gov't Conference

Antioch Twp. Supervisor Jim Fields along with three other township supervisors at-tended a statewide convention of township officials Nov. 11-13, contributing to a less than a quorum turnout at the Lake County Board meeting Nov. 12.

"This is the first full board meeting I've missed in four years (that I've been on the board). " Fields said. There are 24 board members and there were 20 other board members to fill the 13 seats needed for a quorum, he said.

Fields said earlier reports that "singled out" supervisors were not fair. Also attending the Springfield convention were Robert Depke (Warren Township), Robert Neal (Newport Township) and Gerald Beyer (Wauconda Township).

Another meeting for a long agenda of items had been scheduled for Nov. 19.

Fields, who had attended the annual convention for the eighth time, said the convention is meant to keep township officials informed of changes in state laws as well as keep them up on local government on a statewide basis.

One particular problem that townships face, Fields said, is pressure from state and federal governments to extend general assistance programs, but with less general assistance funds.

Fortunately, he said, Antioch Twp. will not face hardships that many other townships will because it had not started programs under general assistance funds.

Also, he said, eligibility requirements for such programs are tighter under new laws, which takes away freedom from township supervisors to decide whether to assist borderline hardship cases. "It's not fair," he said, "but it's the law."

The group is scheduled to meet on Thursday; Nov. 21 with an ACHS student group, Students Against Drunk Driving, in hopes of gaining suggestions and support. Sheehan said the Antioch Jaycees, which had used the school as its haunted house this year, has indicated it would support them.

Parthun, upon hearing about the other group, said, "We would be glad to talk with them.'

Representatives of both groups share the same common goal-to provide teenagers with alternative weekend activities, particularily so they don't cross the stateline to

"There's nothing to do in the area, especially between January and March," said Sheehan, who would like a teen canteen

to start by January. "But we just can't do it ourselves. We need the backing of parents and other organizations."

Spring dances at the Antioch VFW stopped after members allowed drinking at the hall while dances were in progress, sources said.

Art Blecke, principal of ACHS, said a community event for teepagers is a good idea. Residents had urged the high school to become involved, but school officials decided against it, he said.

"We felt it is not our purpose in the community to provide a teen center for students," said Blecke, pointing out that the school is already responsible for hundreds of after-school activities for students.

#### NOTICE OF ANNEXATION

Pursuant to Chapter 24, Section 7-1-13 of the Illinois Revised Statutes of 1983, which statute reads as follows:

77-1-13. Surrounded or nearly surrounded territory under 60 acres.

Whenever any unincorporated territory containing 60 acres or less, is wholly bounded by (a) one or more municipalities, (b) one or more municipalities and a river or lake, or (c) one or more municipalities and the Illinois State boundary, or (d) one or more municipalities and property owned by the State of Illinois, except highway right-of-way owned in fee by the State, or (e) one or more municipalities and a forest preserve district, that territory may be annexed by any municipality by which it is bounded in whole or in part, by the passing of an ordinance to that effect after notice is given as provided in this Section. The corporate authorities shall cause notice, stating that annexation of the territory described in the notice is contemplated under this Section, to be published once, in a newspaper of general circulation with the territory to be annexed, not less than 10 days before the passage of the annexation ordinance. The ordinance shall describe the territory annexed and a copy thereof together with an accurate map of the annexed territory shall be recorded in the office of the recorder of the county wherein the annexed territory is situated and a document of annexation shall be filed with the county clerk and County Election Authority.

Amended by P.A. 83-358, Section 16, eff. Sept. 14,

WHEREAS, the following legally described parcels of property, which total less than 60 acres and which are wholly bounded by the Village of Antioch pursuant to subsections (a), (b); (c), (d) and (e) of the above statute; and: said parcels are legally described as follows and whose last record owners are listed adjacent thereto;

WHEREAS, as a result of said hereinafter described parcels being surrounded or nearly surrounded by the Village of Antioch, the President and Board of Trustees intend, pursuant to the above statute, to contemplate passage of an ordinance annexing the hereinafter described property. Said hearing relative to the ordinance shall be held at 7:00 P.M. on December 2, 1985, in the Antioch Village Hall, 876 Main Street, Antioch.

#### Dining/Entertainment Lake Villa Professor Directs Apollo Chorus

When the 225-voice Apollo Chorus, Chicago's oldest choral group, sings Handel's "Messiah" Dec. 16 and 17, the baton will be held for the first time by the group's newly appointed music director and conductor. Thomas E. Hoekstra, Ph.D., a native Chicagoan who serves as professor of music at the College of Lake County, Grayslake.

Hoekstra, who lives in Lake Villa, succeeds William J. Peterman, Ph.D., who retired last spring after 22 years as Apollo's director.

"I've always looked up to the Apollo Chorus," said Hoekstra. "I'm thrilled and honored to be conducting it. But standing in front of such an outstanding group of musicians is an awesome experience."

Hoekstra's respect for the capabilities of the Apollo Chorus is best expressed by one of his ambitions. He. wants Apollo to sing Bach's Minor Mass, an exceedingly complex and difficult fulllength Mass setting.

We're extremely pleased to have a person of Tom Hoekstra's calibre as our new director," said Bob Anderson, president of the allvolunteer Apollo Chorus. "Tom's special interest in large choral works for orchestra and chorus, as well

#### Symphony Schedules **Tryouts**

Auditions for the Waukegan Symphony Orchestra's Sixth Annual Fugua Memorial Young Artists' Competition will be held Jan. 19 at the Jack Benny Center for the Arts, 533 Grand Ave., Waukegan, beginning at 2 p.m.

Any junior or senior high school instrumental student currently living in or going to school in Lake County is eligible to apply. Application must be submitted to the Waukegan Park District, Waukegan Symphony Orchestra, 533 Grand Ave., Waukegan, IL. 60085, by 1 p.m. Jan. 2. Mailed entries must be postmarked before midnight, Dec. 28. A \$5 registration fee is required.

Individual times will be assigned after the applications are accepted. Any. instrumental solo will be considered provided the work is available for the orchestra. The audition will be limited to 10 minutes per auditionee. All audition material must be memorized, and applicants must provide their own accompanists.

Orchestra director Dr. Lynn Schornick explained that three finalists will be chosen to perform with the Waukegan Symphony Orchestra April 12 at 8 p.m. in the Genesee Theatre, Waukegan.

Finalists will be judged by a panel of judges during the April 12 concert, and the awards will be presented at that concert. First prize is \$150; second prize, \$100; and third prize, \$50.

as his credentials in music conducting, suits our needs perfectly. We hope his tenure with Apollo will be a long one."

Hoekstra is the author of several studies of Bach's choral music and editor of an accompanist's score of Handel's "Messiah." He has also made a special study of Bach's use of number symbolism in the B Minor Mass. Bach's number symbolism, which has been rediscovered and discussed seriously by past 20 years, holds fascination for Hoekstra.

The Apollo Chorus will present three concerts during its 1985-86 season. In addition to two performances of "Messiah," scheduled for Dec. 16 and 17 at Orchestra Hall, 'a cathedral concert of sacred music will be performed at Holy Name Cathedral on Feb. 23, and a spring concert to be presented May 16 at Orchestra Hall will feature music scholars only in the Mendelssohn's "Elijah."

#### III. Sec. Of State Has Lock On Longevity

by JOHN STEINKE (political columnist)

How would you like to "pack it in," put your feet up on a desk, and feed off the public through a plush office? How would you like to have your name revered by the media. respected by the voters, and honored by your children? How would you like to occupy a powerful statewide office where you could only be removed by nuclear war?

The office that touches just about every citizen of Illinois is secretary of state. Consider that the incumbent's name is displayed on his offices in most cunties. His name is recorded on every driver's license, on auto and truck registration cards, on auto titles, and on the envelopes containing license plates. If you buy or sell securities, if you're an officer of a corporation, a lobbyist, or a notary public, you must register with the secretary of state's office. Consider, too, that the Illinois Secretary of State is a patronagerich office. It has more political jobs than any state office but the governor's.

No incumbent Illinois Secretary of State has been defeated since Chicago Democrat Edward J. Barnett was defeated by Charles Carpentier in the 1952 Dwight Eisenhower landslide. That year, Eisenhower beat then Illinois Gov. Adlai E. Stevenson by 443,407 votes for president. At the same time,

1960, Illinois Democrats won seven out of eight statewide offices. The only Republican . winner was incumbent Carpentier, who was re-elected to his third term by 384,916 votes,

U.S. Senator Alan J. Dixon, an enormously popular Democrat, served four years as secretary of state. He won re-election to the office in 1978 by a record margin of 1,516,986 votes. Then Sec. of State Dixon swept all 500 Chicago wards and the 30 suburban Cook County townships enroute to carrying all 102 Illinois counties. Dixon vacated the office when he was elected to the U.S. Senate in 1980. Republican Governor Jim Thompson appointed his assistant, Jim Edgar, as Dixon's successor.

In 1982, Governor Thompson was reelected to an unprecented third term over Democrat Adlai E. Stevenson III by only 5,074 votes. His appointed Sec. of State Jim Edgar is clearly the state's most popular Republican officeholder. Edgar wiped out his opponent with a 233,656-vote plurality in-1982 and did it in a Democratic year. Edgar is heavily favored to win re-election next

The office of Illinois Sec. of State reaffirms the axiom that eighty percent of a successful election campaign is name recognition. As Deerfield Twp. Supervisor Robert Moroney once said to me: "I don't care what you write Carpentier narrowly unseated Sec. of State about me, as long as you spell my name Edward J. Barnett by 9,303 votes out of correctly." In Illinois you have to be a

Smokeout is aimed at all smokers, but this year, because of a grim "first" expected to occur in 1985, women are a special focus of the event. According to the latest annual estimates announced by the American Cancer Society, lung cancer is expected to overtake breast cancer as the leading cancer killer of women for the first time in U.S. history.

The smokeout is Thursday, Nov. 21, the ninth year as a national event.

National Smokeout Chairman Larry Hagman, who is serving his fifth consecutive term as the event's leader, urges everyone to make a particular effort this year to reach women who smokefrom the very young to the very old. "We've got to put a stop to this unnecessary waste of lives," says Hagman.

The American Cancer Society estimates that between 1950 and 1982, the lung cancer death rate rose 373 percent for white women and 335 percent for non-. white women. If lung cancer statistics are excluded,

#### Congregation Plans Thanksgiving Service

The local Christian Science congregation is planning a special Thanksgiving Day service for the community. Neighbors, friends and anyone wishing to join with them in giving thanks to God, are invited to attend on Thursday, Nov. 28 at 11 a.m. The hour-long service will be held in the church, located at Route 173 and Harden Street, Antioch.

The Sermon-"Thanksgiving" will focus on actively expressing gratitude to God by following Christ Jesus in daily life. The service will also include hymns of praise, brief silent prayer and the Lord's Prayer.

Care for infants and small children will be provided during the service. Sunday School-age children are invited to attend.

#### Howlett Adds County Democrats Seminar

Creation of a Collar County Democrats for Howlett Committee, to support Edward G. Howlett for Secretary of State of Illinois, was announced by William A. Redmond, of Bensenville.

Redmond is chairman of the committee. He is also Democratic chairman of DuPage County and a former Speaker of the Illinois House of Representatives.

Other members of the Collar County Democrats for Howlett Committee include Kent Bosworth, Democratic chairman of Will County; Frederick J. Steffen, Democratic chairman of Kane County; Monty Yates, Democratic chairman of McHenry County and William E. Hartnett, former Democratic chairman of Lake County, a resident of Antioch.

"Jay Ukena, the present chairman of Lake County, and William Morris, exmayor of Waukegan, also are friendly to Howlett," said Redmond, "but they have made no commitment pending a study of qualifications of the two contestants for the Democratic nomination and a poll of party leaders in the county.

"If sentiment in Lake County resembles that in DuPage and the other collar counties, it will be found to favor Howlett stongly. We do not know a better name among Democrats than the name of Howlett.

Michael J. Howlett, father of Edward, led the Democratic ticket in DuPage County when he won the office of Secretary of State in 1972.

# Lousy Politics Hit By Stevenson

by John Steinke (Political Columnist)

Adlai Stevenson brought his gubernatorial campaign to the College of Lake County campus.

He delivered some brief remarks accompanied by a question-and-answer session with approximately 75 students and faculty members: Stevenson lashed out at both Republican Gov. Jim Thompson and Atty. Gen. Neil Hartigan.

In atypically blunt rhetoric, Stevenson harshly denounced Hartigan: "He doesn't take positions on issues. He changes his positions on issues like the seat belt law. His budget has increased 37 percent. Onefourth of his workers are members of the '(Ill. Democratic) Central Committee. No wonder the Peoria,"5He castigated the party won't endorse me inthe primary. He has put political operatives on his staff. He accepts campaign contributions from people he is suing (as Ill.-Atty. Gen). Hartigan is not alternative to Thompson. It's like Thompson\_running\_(foroffice). His politics is what I despise."

Stevenson also had harsh words for Gov. Jim Thompson. He claimed that 'political expediency dominates Ilinois" con-tributing to the state's economic stagnation. He

"the lowest rate of employment growth, the most antiquated banking system in the world, and the highest utility rates in the country." Stevenson also criticized Governor Thompson for the construction of the State of Ill. Building. He said it was "an uninhabitable monstrosity. You can't heat it inthe winter and cool it off in the summer. The sculpture out front reminds me of tooth decay."

Stevenson asserted that Gov. Thompaon's "Build Ill. program" was politicallymotivated and the projects are selective predominantly Republican areas. He observed that the Governor's program provided "for golf courses for Wheeling and nothing for \$200 million McCormack Building: "We must clean house and fire the incompetents. We must get good, managers. We are stuck with it." Stevenson pledged to attack high utility rates: "I'll give you a new -Commerce Commission. The present membership "just ratifies utility rate increases. Utility costs are discouraging business from coming to Ill." He said the current chairman of ICC "was in insurance" and a former political operative of Gov. Thompson.

that Gov. Thompson "was on vacation and out of state during the Salmanella epidemic. He didn't know about it for two weeks." He asserted that Thompson assigned two administrators to manage the crisis. Both departed Illinois, one of whom Thompson fired "for being on vacation; the same thing, that he was doing. Seven thousand people got seriously ill and some died."

Stevenson accused the Thompson administration of reducing state aid to elementary and secondary schools "at an annual rate of 3 percent." He claimed that loss of state aid for education "means higher property taxes."

· He concluded that the two states with "the lousy, rotten politics" were Illinois and Louisiana "where the governor is under indictment." The candidate said that we must restore public confidence in government again: He asserted that elections were between the politicians who seek to serve you, and the politicians, who seek to exploit you."

As governor, Stevenson said his number, one priority "would be to reverse the economic decline. This isn't going to be easy to reverse."

#### Grass Lake Area Scouts, Brownies Still Busy

by ARDEEN HARRIS

The Grass Lake area girl scouts and brownies have really been busy! On Oct. 9, Brownie Troop 1366 had a Ballon Launch to start off their new year. To date the following girls have had their balloons returned: Lisa Priller from Racine, Wis., Jennifer Lentine from Twin Lakes, Wis., Kari Fehrenbacher from Bristol. Wis. and all three of Tammy Mazzuca's, one from Racine and two from Grafton, Wis.

On Oct. 30, nine girls were invested into Brownle Troop 1366. They are Kendra Charts, Tara Christopoulos, Kristen Franzen, Sarah Harmon, Cynthia Jones. Jennifer Lentine, Lois Morreale, Rebecca Sheldon and Sandra Webel. Junior Troop 1134 joined the Brownies for this investiture and Juliette Low Birthday celebration. Other awards handed out to the Brownies included "Trees for the Future," Parade Patches and Parade segments to qualifying girls. Throughout November the girls will be working on the Juliette Low Friendship patch requirements,

Thanksgiving Day craft and they will also be participating in the Christmas Parade on Nov. 30 in Antioch.

Speaking of the parade, anyone in the area interested in participating in the Antioch Christmas Parade on Nov. 30 can give Glenda a call at the Antioch Parks and Recreation office at (312) 395-2160. Let's hope the sun is shining on the 30th.

. With the start of the cold weather and snow, make a note to listen to the following Lake County radio stations to hear if school will be closed or 'not: Waukegan WKRS 1220 am and WXLC 102.3 fm, and the Zion stations WNIZ 1500 am and WNIZ 97 fm. These stations should have school closing announcements on before 7 a.m. In the past it has been difficult to call the Chicago stations on the morning of the snowstorm/blizzard. However, this year they are on a computer hookup so they should also have school closing information from our area. If Antioch Grade School and Antioch Community High School are not having school because of inclement weather, Grass Lake School would also be closed that day. Grass Lake School also has the telephone TeePee and you should receive a call regarding the closing of school. Please make a note to contact Lorrie Christopoulos or Judy Hansen, if your phone number has been changed. They are the center network of the telephone teepee.

There will be the Fifth Annual Craft Sale at the Antioch Scout House (741-Main St.) on Friday, Nov. 22 from 9 a.m. until 7 p.m. and on Saturday, Nov. 23 from 9 a.m. until 4 p.m. Homemade candy and baked goods, country gifts, yarn, wood, Christmas decorations and ornaments await you. This year 13 crafters have gotten together to make this a great event.

Can you believe there is only one more week until Grass Lake School has its annual Christmas Bazaar and Breakfst with Santa.

Linda Boerman and her they will branch off to committee have been busy calling people regarding their donations this year. Workshops are being held at the Little School House in the evening. People are busy working at home, to make this one of the best events in the Grass Lake area. Give Linda a call if you have, something to donate or would like to help in some way. John Fleshman is handling the breakfast and can also use some help. His wife, Joan, has been busy at the butter churn making sure that there will be butter aplenty! What a great way to start off the Christmas season with this gala event!

The 12th Congressional Women's Club and State Central Committeeman, Al Jourdan are sponsoring a Leadership Conference on Saturday, Nov. 23 at the Willow Creek Hotel, Rte. 53 and Northwest Highway in Palatine. The cost of this program is \$15, which in cludes lunch. The day will begin with coffee and rolls at 8:30 a.m. and a welcome at 9:30 a.m. with Seminar A "Raising Campaign Funds; Easier Said Than Done" or Seminar B "Get out the Vote Building a Winning Organization" or Seminar B

Seminar A "How to Get Favorable Press," . or Seminar B "How to Develop an Effective Campaign Strategy - Know your Op-ponent." At 2:30 p.m. there will be Seminar A "Image Development Do Voters See you the Way You See Yourself?" or Seminar B "Developing an Active" Volunteer Force - Get Them Involved." Each seminar will be limited to 110 people so if you are interested in attending, give Pat Cameron a call at (312) 526-1818 or Ardeen Harris a call at (312) 395-2761 to sign up for these programs. Some of the feature guest speakers will be Chris Robling, executive Republicans, Don Totten, Cook County Republican Chairman, Tom Lee, political editor of Paddock Publications, Muriel Coleman, Madison consultant, Al Jourdan, Bob Neal, Lake County Republican chairman and Congressional person.

"Co-Worker of the Month"
is Jr. Grad. Regent Peggy Learmont, She has served as Guide and Senior Regent. Peggy is a "Moose family" member as her mother, Judy, and sister, Susan, are active co-workers. They attended a Green Cap program in Joliet (Judy is the only person who takes four hours to get there).

The Libarary Chapter night program was called to order by Senior Regent Dorothy Laursen with all officers present except Chaplain Marge Turner, pro tem Judy Page.

Library Chairman Susan Page was escorted to the senior regent's station where she introduced the members of the committee and presented checks for their special projects, including books for the Antioch library.

The Chapter proceeded with the enrollment of new members: Carol Nielsen, sponsor Chairman Susan Page, pro tem Jeanne Van Zandt; Elsie Fonk, sponsor Carole Molorino; Ann Donohue, sponsor Asst. Guide Ruth Tynders, pro tem Emily Novotny. They were presented with "Rainbow Pins" by pro tem Membership Chairman Rose two occasions during the Marie Herkert.

Guides escorted Lily Wagner to the altar where she was awarded her Chapter pin for attending three consecutive meetings.

Everyone is encouraged to attend a business meeting on Nov. 21 to see all the donations in Thanksgiving baskets that will be distributed before the holiday. The Chapter thanks all who contributed and say they are pleased that they are able to furnish four families with groceries, including turkeys.

The Chapter would like to see a better turn-out for our Ritual practice on Nov. 26 and has to start getting ready for Chapter Rally Day and need as much practice as possible so they can present an excellent showing.

Let the Chapter know how many are attending the Chapter Christmas party on Dec. 12. All co-workers are invited and this is only one of

year when everyone can get together and have a party. Also, sign-up children (between 0 and 12) for the annual Christmas Party on Dec. 14. The cut-off date is Dec. 1.

#### College Senate Splits On Cigarette Question

by John Steinke (political columnist)

The smoking-no smoking issue was the subject of further debate by the CLC (College of Lake County) College Senate at its November meeting.

Three reports were submitted to the college senate on the matter. First, the student senate recommended that smoking restrictions should be limited to the tv room in the Student Activities area and the main lobby of the college facility. It also reported that a survey among students indicated a 50-50 split over the necessity to restrict smoking at the school.

Vice-President James Doppke informed the group that a profesional evaluation of the air quality of the building "seemed satisfactory."

CLC President John Hunter suggested the college install air cleaners as a solution to the problem. Law Enforcement Professor Richard Wilson disagreed with Hunter asserting that "this would not solve the problem of exposure to smoke when a person is in close proximity to a smoker." Campus Nurse Jackie Hassett claimed that air cleaners were ineffective in coping with the smoking hazzard in other areas of the main building.

Divisional representatives of the staff and the faculty said their constituents were "practically unanimous in supporting a prohibition on smoking in public reception areas, hallways and eating facilities. Administrator Steve Springer observed, "If there is one person on campus that is bothered by the smoke with headaches, nausea, the smoke should be eliminated."

**English Professor George** Zimmer offered a motion to prohibit all smoking on campus. The college senate rejected it 16-3.

History Professor Bill Buchner sponsored a resolution that all cigarette machines be removed from the campus. Buchner argued hat cigarette machines promote smoking. Their presence puts the college's seal of approval on smoking,

and the college is sharing in campus." The Buchner the profits from their sale as they do with all machines on

Resolution was adopted on an 8-6 vote.

#### Fellow Clerks Go For Venita

'Wauconda Village Clerk Venita McConnel has received her fifth and sixth endorsements from Lake County clerks in her campaign for the Republican nomination for Lake County clerk in the 1986 elections. In exclusive statéments to Lakeland Newspapers, Vernon Hills Clerk Joanne Korstanje and Zion City Clerk Wanda Oleson Neargardner

extended their support to McConnel's candidacy.

Korstanje is also vice president of Municipal Clerks of Lake County. Korstanje contended, "The position of Lake County clerk is a very demanding one and requires someone that is familiar with the functions of a county clerk and also one who has demonstrated she has administrative ability. Venita L. McConnel, Republican candidate for county clerk, is such a person."

Neargardner has served as city clerk of Zion for eight years. Neargarden observed, "The Lake County Clerk's is race in 1986 is of particular interest to me because I am a village clerk, . and I work with the county clerk's office on a regular basis. Venita L. Mc Connel. as a village clerk herself, knows and understands the needs of the village/city clerks thoughout Lake County. She definitely understands the county clerk's job."

Besides Korstanje and Neargardner, the following clerks have expressed public support\_for\_McConnel\_for Lake County Clerk: Colleen Kasting of Mundelein, Edith Heimos of Round Lake Park, Joan Hendricks of Round Lake Heights, and Carol Verely of Hainesville. Kasting is also the president of the Municipal Clerks of Illinois.

Brae Loch Officially Closed, Part Of County

Brae Loch Country Club, being considered for a dual now a part of the Lake County Forest Preserve system, is being -boarded up for security reasons.

## Changing Phones Like Riding A Merry-Go-Round

by BILL SCHROEDER

If you can avoid changing your telephone service, do so at all costs. If a change is unavoidable, prepare yourself for one of life's major aggravations.

Changing your phone service these days under deregulation is a mind-boggling, infuriating experience involving a seemingly endless and often mindless bureaucracy of the communications industry.

I was called upon to change phone service for one of Lakeland Newspapers' offices and immediately found myself enmeshed in a maze of conflicting jurisdictions, double and triple talk and a complicated set of service and equipment options I decided were designed more for extracting additional revenue than linking two parties for the purpose of carrying on a telephone conversation.

No more dealing with a friendly, low-key, eager-to-serve representative from the Bell system. It's the new era of deregulation soyou're talking to high-powered technicians from corporate giants like AT&T. That was my first stop on this odyssey to effect a minor change. I was informed immediately that the equipment that had been serving so well for so many years was antiquated junk that would cost up to \$700, to change—the implication being if I was senseless enough to want to keep it.

At that point the AT&T operative began describing wonderous marvels of the elec- an expression of a candidate who's in the tronic age available at ridiculously low prices. Oh, yeh?

It didn't make any difference only that one person would be using one phone at a time. The marvels are available for the askingand the signing of a contract. At this point I decided that I'd better catch my breath and do some checking." A few calls later I had confirmed my suspicion that while AT&T has. some pretty wonderful stuff, they also have some pretty basic equipment, at much lower

I went back to the drawing board, armedwith the information of exactly what I wanted. After some more pressure salesmanship, I extracted an admission from the sales person that "Oh, you only want single line service. You can buy your own equipment if you'd like." Now I was getting somewhere. But there was more.

Sorting out the soon-to-be-replaced from the new required another day and some more calls. But by now I was a seasoned veteran dealing with AT&T. I was able to get all the equipment information I needed, including a sale price on new phones and the advice that I could do the installation work myself-"if

you're handy." OK, AT&T, now you're

One more stop, though, and that was back to good old Ma Bell. This time for a line change that would take me from the building to the telephone pole which is Bell territory now under the new look of deregulation.

Right now I'm waiting to see what happens. Seeing if everything works out like planned ought to be fun.

I think I've got deregulation in the com-munications figured out. It opened the door for every company involved in the telephone business to charge more.

REPORT DATE—Results of the screening process now being conducted by the Republican Central Committee for the March, 1986, primary election are expected to be made public Dec. 2

With one exception, the endorsement process is expected to be axiomatic for county offices on the ballot next year. The exception is county clerk where Venita Mc-Connel and Donna-Mae Litwiler have been waging a tug-of-war.

McConnel expressed confidence after her screening interview, reporting that the committee will remain neutral-"if I'm not selected." That's confidence, all right, and race for the long haul.

#### Undermining Vital Law

Atty. Gen. Neil Hartigan's call to repeal the Illinois safety belt use law is dismaying because it turns the issue of traffic safety into an object of political gamesmanship and trivializes the law's record of saving lives on Illinois roads.

We are also concerned that the attorney general-the state's top law enforcement official-discourages motorist compliance and police enforcement that have been key to the law's success thus far.

Recent statistics demonstrate the law's effectiveness in saving lives. During August and September, the first two months after enforcement of the law began, 52 lives were saved on Illinois roads as compared to the same months in the previous year. Automobile occupant fatalities dropped almost 40 percent this September over last

It would be more constructive for public officials-including the attorney general-to encourage compliance and respect for the law to save lives, rather than politicizing the issue during state-wide elections.

# There Are Healthy Foods For TV Addicts

by PAT DEANGELIS

Question: What foods can I provide for my TV addicts, especially on football days, that are not in the "junk food" catagory?

Answer: When TV eating is prolonged and extends into a meal schedule there is often increased frustration for appropriate food selection.

Convenience of preparation and eating are vital criteria. The best food groups to emphasize when the activity level is low, such as sitting, are fruits, vegetables and whole

By adding small amounts of low fat protein foods, satisfaction will be achieved with limited quantities of food.

Prepare a variety of raw vegetables and serve with a dip. This will provide fiber, vitamins and minerals, while taking busy time for chewing and being low in calories.

An easy and tasty dip is VEGETABLE

1 small carton sour cream

1 T. lemon juice, Garlic powder (to taste), 1/2 t. anchovy paste, 1/4 c. chopped onion

Mix all ingredients well, chill and serve. For a lower fat product you may substitute plain yogurt for the sour cream. This variation will wilt sooner than the sour cream when not refrigerated.

Another vegetable snack is CHEESIE CELERY:

1-3 ounce package cream cheese (softened), 1-T. milk, 2-T. finely chopped pecans, 1/2 c. chopped dates, 1/4 t. cinnamon, 4-long celery stalks.

Blend cream cheese with milk, pecans, dates, and cinnamon. Fill celery with cheese mixture. Cut each stalk into two or three pieces. Chill before serving, makes 1/2 cup of

These snacks will not trigger the salt or sugar cravings as most "junk food" items do. Also, these are good lead foods for a chili and sandwich supper; or a mug of soup and

sandwich, served with fresh fruit (prepared in ready to eat pieces).

One of the main reasons fruits and vegetables are not used frequently for snacks is that someone needs to clean and prepare them for serving. While some extra work involved there is much more nutrition obtained from these suggested snacks.

#### Pat D's Nutrition Today

Pat DeAngelis is a nutrition consultant to American International Hospital, Zion. Readers with questions about the food and liquid they consume are invited to address questions to Pat D's Nutrition Today, Lakeland Newspapers, P.O. Box 268, Grayslake, III. 60030.

Raw nuts and seeds served with chilled V-8 or tomato juice is a balanced quick and easy snack. Whole grain snacks include whole rye or wheat crackers, homemade granola or oatmeal cookies, and popcorn. Popcorn should be cooked with a dry hot air popper and a small amount of real butter used with limited added salt.

By adding homemade lemonade, and herb tea drinks to your snacking menu you are able to increase your water intake and decrease your sugar and additive intake. Water is a beneficial nutrient that is often replaced with high sugar or salt drinks.

A sweet tasting snack treat is ORANGE

6 ounces frozen orange juice concentrate, 1 cup milk, 1 cup water or ice chips, 1 t. vanilla. Place all ingredients in blender and mix well. When well blended use high speed whip cycle until frosty. 4 servings.

# Health Dept. Gives Holiday Baking Tips

Thanksgiving and Christmas holidays, the Lake County Health Dept, urges families to carefully purchase and prepare their turkey and pumpkin pie so that they remain fresh and wholesome and do not cause illness.

Whole families can become ill and even need to be hospitalized with nausea, vomiting and diarrhea after eating a Thanksgiving Day or Christmas meal. Improper handling of the turkey-and pumpkin pie is the cause of most of these problems.

Turkeys are associated with 11 percent of the total foodborne outbreaks reported nationally in the past 10 years., according to the U.S. Public Health Service Centers for Disease Control in Atlanta, Ga.

The Lake County Health Dept., recommends the following procedures for preparation of the turkey:

DEFROST the turkey by moving it from the freezer to the refrigerator a day or two before cooking time. Microwave ovens may be used to thaw turkeys, but after thawing, the turkey should either be cooked immediately or refrigerated at 45 degrees Fahrenheit or below.

CLEAN all dishes, utensils and work surfaces thoroughly after using them for preparing the raw meat or poultry. Do not place the cooked turkey on an unclean surface as it can recontaminate the cooked bird. Wash hands thoroughly after handling any raw meat, poultry or eggs. Familymembers who are ill should be kept out of the food preparation area.

COOK the turkey until internal temperature reaches at least 165 degrees Fahrenheit, to kill the harmful bacteria that may be present. Check the perature with a metal stemmed thermometer inserted into the turkey. Stuffing whether you're in a hurry, cooked outside the poultry seeking family dining or out will be more thoroughly for governet food for that for gourmet food for that cooked and safer to eat. anticipation of Never let the poultry stand at room temperature for any length of time. Hot foods should be kept hot (140 degrees Fahrenheit or hotter) and cold foods should be kept cold (45 degrees Fahrenheit or colder). The Lake County Health Dept. Environmental Health Division has available a free booklet "Talking About Turkey," which discusses buying, storing, thawing, stuffing and safely preparing the turkey. Mr. and Mr. John F. Vanderstappen

#### Kirchhardt/Vanderstappen

Kimberly Ann Kirchhardt, daughter of Harold R. and Geraldine R. Kirchhardt, 22050 West Washington St., Grayslake, and John Frank Vanderstappen, son of Joseph C. and Wilma M. Vanderstappen, 531 First St., Grayslake, were joined in marriage during a concelebrated Mass at 1:30 p.m. on Sept. 7 at St. Gilbert's Catholic Church in Grayslake performed by Rev. Harry Vanderstappen, uncle of the groom, and Rev. Harry Voss.

Organist was Joan Ottolino; she was also soloist, along with Deborah Brzezinski.

The bride was given away at the double-ring ceremony by both her mother and father.

The bride rode to church with her father in a horse-drawn carriage. After the ceremony, the bride and groom rode to

the afternoon party on Highland Lake in the carriage. They rode to the evening reception in a chauffeur-driven limousine. The bride chose a couture design of white imported em-

broidered schiffley and crystal organza. Fashioned with a high Victorian collar, an illusion yoke, embroidered bodice with pearls, full poof sleeves over long tapered bride's point sleeves: deep V-waist with a full hoop Austrian gathered skirt, waist to hem, cathedral train and ruffled edge.

The matching Victorian hat with long illusion veil, spotted with pearls and a lace trim edge was also designed by the bride. The back of the hat was gathered with a silk rose and the blusher veil was also spotted with pearls.

The bride carried a bouquet of two dozen red roses with babies breath, because this was the flower her husband always gave her before they were married.

The flowergirl's gown was similar to the bridal gown. It was designed and sewn by the bride.

The maid of honor was Kelli Ann Kirchhardt of Grayslake, sister of the bride. The matron of honor was Kristine Ann

Johnson of Algonquin, also a sister of the bride. Best man was Tom Siedlecki, Grayslake.

Bridesmaids were Kathryn Ann Kirchhardt, sister of the bride, Sandra Vanderstappen, sister of the groom, Deborah Brzezinski, Christine Gossman, Theresa Christofferson and Karen Hart,

Groomsmen were Francis Vanderstappen and Joseph Vanderstappen, brothers of the groom; Neal McClain, Tim Siedlecki, Mike Cencula, Gary Duncan and Mike Kerton.

Leanne Skuse, cousin of the bride, was flowergirl and Mark Vanderstappen, cousin of the groom was ringbearer.

Ushers were Randall Johnson, brother-in-law of the bride, and Robert Beyers.

Guests attended an afternoon party at the home of the bride's parents on Highland Lake, and an evening reception at the Tower Room in Antioch.

The couple will take a delayed winter honeymoon trip to The Summit Ski Area in Colorado...

The bride graduated from Northern Illinois University, DeKalb, with a bachelor of science degree in textiles and clothing. She is employed by Northwest Newspapers, Shaw/Free Press Media, Inc., Crystal Lake.

The groom graduated from Grayslake Community High School where he and the bride were classmates. He is employed by Skokie Valley Asphalt Company, Grayslake.

They are residing in Pistakee Lake in McHenry.

#### Cholewa/Jones

Tammy M. Cholewa and Jeffrey T. Jones were united in marriage at a 5 p.m. candlelight ceremony on Sept. 7 at the United Methodist Church of Antioch performed by Rev. Stephan Williams. The bride is the daughter of Mr. and Mrs. Edward Cholewa, Antioch. The groom is the son of Diane Lauer, Spring Grove, and Samuel Jones, Warrens, Wis.

The bride was given away by her father during the double ring service.

Maid of honor was Tracy Donner, life-long friend of the bride. Bridesmaids were Genelle McKenna, Melissa Garland and Shelia Chapman.

Best man was Robert Crowell. Groomsmen were David Frook, Scott Jones and Stanley (Buzz) Jones, brothers of the groom.

Flower girl was Katey Komes, niece of the groom and ring bearer was Travis Jensen, nephew of the groom.

Ushers were Donald Komes, brother-inlaw of the groom, and Greg Lewis.

After a reception at Harbor Ridge Country Club, Antioch, the couple left for a

honeymoon trip to Wisconsin. They will be making their home in Antioch.

Both the bride and the groom are graduates of Antioch Community High School. The bridegroom is employed by Doyle Dist. of Gurnee.

The first phase of the company's plan to lower its work force began with presentation of a voluntary separation program to managers today.

The company estimates the voluntary plan will result in an 800-to-900 person reduction in its current work force of more than 23,000 employees. If it doesn't produce this result, an involuntary management separation plan will be instituted.

Illinois Bell also announced it will freeze the basic management salary structure at current levels through 1986. Payment of incentive and merit awards will continue.

"We've come to realize" that as our business changes, we are able to reduce or eliminate certain work functions without impairing our ability to maintain customer satisfaction," Wade said.

#### Lancer Spikers End Season

by JOHN PHELPS

The College of Lake County (CLC) women's volleyball team unfortunately concluded their season last Nov. 15 at the regionals in DuPage.

The Lancers went into the 12-team tournament unseeded and were beaten by. Illinois Valley 6-15, 12-15 and 15-11 in the first match and dropped the second match to Moraine Valley 11-15, 8-15 and 4-15.

Players noteworthy of good performance include: Denise Cadeau, Doreen Goodwin and Rita Dorich forserving; and Connie Jensen and Rita Dorich combined for over 14 blocks in the second match against Moraine Valley.

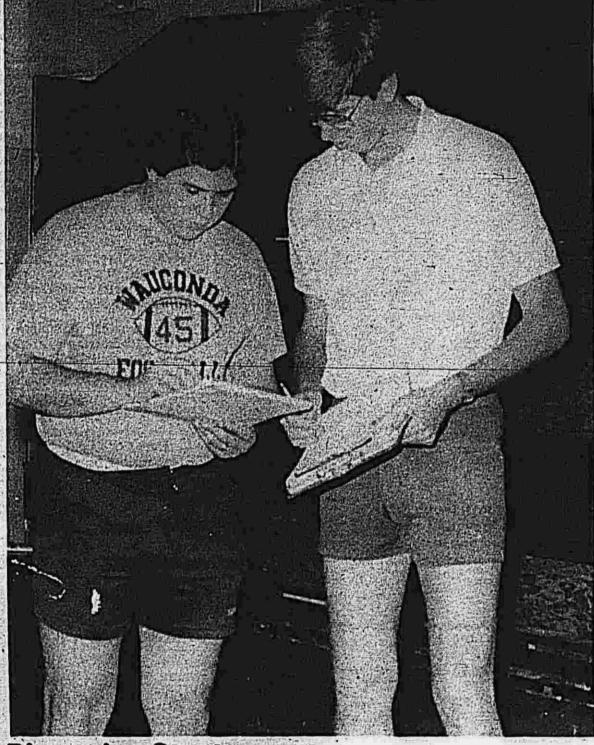

Although off to a slow start, Skyway Conference Coach of the Year, Laura Fillipp, rallied her team to first place in the conference with a 5-1 record (13.5 total).

"We started slowly and peaked midway through the season," Fillipp stated.

Unfortunately, the team was unable to maintain their optimum performance. Coach Fillipp is to be commended for attaining the conference title, Region IV

Sectionals Title and Conference Coach of the Year. It should be noted that this is Laura Fillipps first year as coach of the Lady Lancers Volleyball Team.

Individual players worthy of\_very respectable season performances include: All-Conference players Denise Cadeau, Connie Jensen and Lisa Tylkowski; receiving Honorable Mention was Doreen Goodwin; Connie Jensen and Denise Cadeau were also selected to the All-Region Team; and Jill Lichter joined Connie and Denise in All-Tournament Conference Honors

Discussing Strategy

#### Round Lake To Host Thanksgiving Tourney

The Round Lake Panthers will open the 1985-86 season

with their own Thanksgiving Day Tournament on Nov. 27, 29 and 30.

The Panthers have invited two other local teams to the

tourney, the Wauconda Bulldogs and the Grayslake Rams.

It's a round-robin tournament with each team playing each other once.

Games will take place at 6 and 7:30 p.m. It should be an exciting because the Panthers have returning starters Doug

Sparks, Frank Ptak and Greg Kreitner coming back for another year, while the

Rams have Tom Castino, Kelly Bye, Jeff West and John Lui back.

Ptak averaged 14.9 points per game last season, while Sparks and Kreitner also averaged in double figures.

Round Lake has to be considered the favorite in this one considering the

tournament to watch. Rams lost center Gary Link to graduation and Wauconda

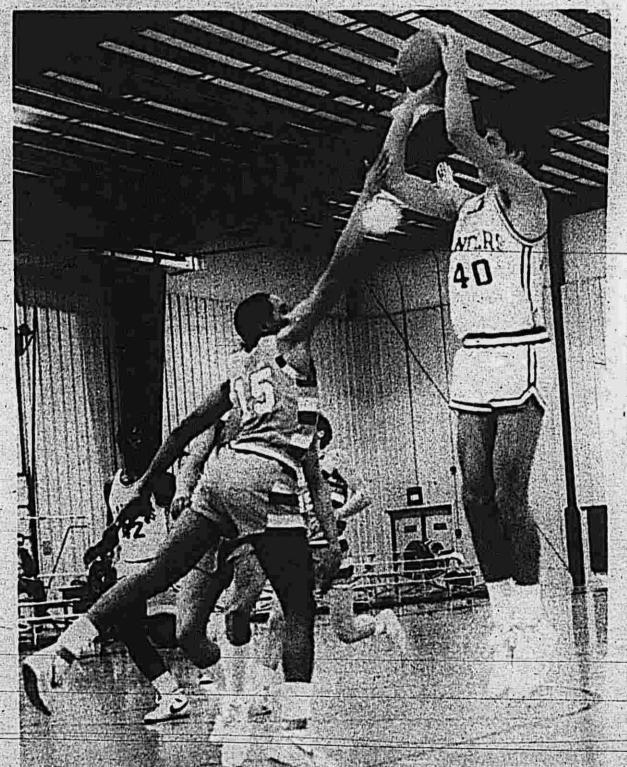

> lost high-scorer Dennis Hubbard, Hubbard averaged

18.5 points per game last year, while Link averaged 17 for the Rams.

The fourth team in the tourney is Cary Grove, who

will play Grayslake on the first night at 6 p.m. Round

Lake will start off against Wauconda in the 7:30 p.m. game ..

The Antioch Sequoits are record this season with the return of center Dave Grindley(6-7). The Sequoits only other returning lettermen is senior forward Don Gunther(6-4) who just came off the football playoffs.

The Sequoits will open their season at the Barrington Thanksgiving Tournament with their first game against Barrington at 8 p.m., on Wednesday, Nov.

. They will face the mighty hoping to better their 10-16 Libertyville Wildcats on overall and 8-10 conference Nov. 29 and Elgin-Larkin on

> Coach Don Zeman expects the tournament to "be a good test and show us what we can hope for during the rest of the season."

> Zeman added that Libertyville, which the Sequoits will face in their second-game, and Niles are expected to lead the North Suburban Conference this

#### Mustangs Aim For Defense

The Mustangs' first basketball game will be played at 8 p.m. on Friday, Nov. 22 against Zion-Benton at Mundelein High School.

Varsity coach Dennis Kessel said the team's overall goal for the season will be to play defensively and hold their opponants at 52 points.

Returning players include Dan Word, Jay Retzinger, Jim Tipperreiter, and Andy Bond. Lettermen are Eric Regez and Jeff Geary.

#### ZeeBees May Make Some Noise In NSC

by DAVID ZINN

As the 1985-1986 hoop season starts at Zion-Benton High School, 11th-year head coach Phil Judson has to wonder if speed can out do

The ZeeBee's are coming off an 11-7 record in the North Suburban Conference and an overall record of 13-12.

With an average height of (6-1), Judson feels his team's speed, with the likes of Chris Herling, Dallas Nash and Pat Cooper, will compare with the other conference teams.

We're pretty quick and fast," says Judson, "we'll run the fast break and maybe press a little."

Two key players this year are guards Merion Stewart and Ron Griffin. They will

provide leadersing and a scoring punch that will be needed since the loss of Charles Harper, a (6-2) forward who graduated last year.

The ZeeBee's are mainly a senior team who will be "very close in competition" adds Judson. The ZeeBee's played in the Waukegan YM-CA summer league and ended with a 6-4 record.

Judson feels Libertyville, Warren and Mundelein will be the teams to contend with. "Libertyville has height said." coming back," Judson says, "but we may beat them again."

With the lack of height, but with a great amount of pride and determination, the ZeeBee's may make some Conference.

#### Rams To **Shoot For** Repeat

When the Rams play their opening game against Crystal Lake on Friday, Nov. 22, coach Greg Groth hopes the team will begin another season as regional: champions.

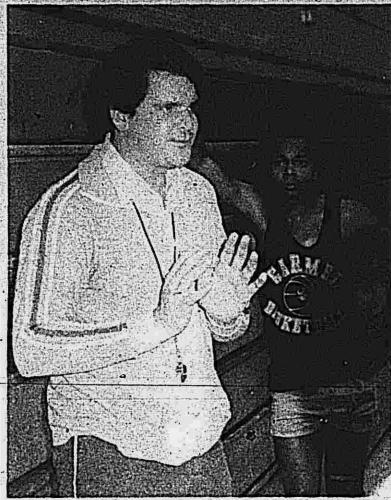

The game will begin at 7:30 p.m. at Grayslake High

"We should be able to make the top three in conference this year," Groth

Among the top players to lead the team off this season are Tom Castino, guard; Kelly Bye, guard; and Jeff West, forward.

Returning lettermen are noise in the North Suburban Randy Reidel and Ken Melton.

# TIME OUTI A Look At Sports Around Lake County By Joel Wiltberger

High school sports fans finally get to go indooors out of the wind, rain and cold as the basketball, wrestling and gymnastic seasons rapidly approach. Basketball has to be the number one attraction of the three in most schools, putting fans closer to the action than any other sport.

In most cases, fans are able to relate their feelings to coaches and officials almost on a personal basis and, of course, the "resident expert" and his group are in attendance at every game, sometimes questioning the legitimacy of both the coach and the official's birth.

I don't know why anyone would want to coach a basketball team. After all, you can only play five athletes at a time and if you lose, the moc! logical explanation in every fan's mind is that you didn't play the right ones.

Coaches on a whole will usually play seven or eight athletes throughout the game, which means they satisfy maybe 10 percent of the parents, relatives and friends that attend. The other 90 percent (including the resident expert) will offer suggestions to the coach and since they are so close, you know the coach has got to hear them.

About the only saving grace the coach has is the officials. As we all know, everyone in attendance can officiate these games better than it's being done on the court, and most of the time they let it be known.

What makes high school baskethall so much fun to watch, is the classic confrontation: the good guys-your team and the bad guys-the opposing team, the officials (if you lose) and your coach (if you lose).

#### \*\*\*\*

A Look Around the County:

The Northwest Suburban co-leader Marian Central (10-3) will play Casey (13-0) in the 2A IHSA finals at Normal Saturday. The Hurricanes will be gunning for their second title in three years.

How about those (11-0) Central Division Champion Chicago Bears! You can't find a Packer fan anywhere.

#### \*\*\*\*

A Look Back:

The 1966 Warren Blue Devils (12-2 in conference) won the Northwest Suburban crown in a showdown match against the Grant Bulldogs 57-55 on a last second field goal by (6-7) senior forward Bill Robbins. It was the first cage crown since 1961 when Larry Beshel, Stan-Flood and Bill-Williams led an undefeated Blue Devils club to the top.

The 1966 Blue Devils broke every scoring record in the conference averaging 82.4 points per game. Senior members of the championship team were Robbins, Rick Filipowitz (6-5), Fred Foreman (6-6½), John Harkins (6-8), Ron Kelver (6-2), Glen Bernsten (6-0), Raliegh Galagan (5-10), Doug Savage (5-11) and Bill Bouma (5-9).

Juniors Bob Brock, John Peterson, Tom Kleinsmith, Joe Arnold and Larry Faulkner filled out the roster for the high-scoring Blue Devils.

No Dynasties In the Northwest

by DAVE ZINN

Dunkfests, screaming fans, good officiating and boisterous coaches. It's that time of the year again so lace up the hightops and saddle up for another year of action-packed prep basketball in the Northwest Suburban Conference.

There are no dynasties or early season favorites in the "black and blue" conference, otherwise known as the NWSC. It's probably the most balanced conference in Northern Illinois.

The defending champions, the Grayslake Rams, crept into the sectionals last season before bowing out to Woodstock.

One may wonder which will be the true Rams team. A team of swift, crisppicking bunch of overachievers or a group that played over its head and depended too much on (6-6) Gary Link, who fell to graduation a year ago.

"We're gonna be tough this year," says first year coach Greg Groth, "we'll be smaller but quicker and we'll have more depth.

The 11-3 NWSC champs come back with Tom Castino, Kelly Bye, Jeff West and John Lui. They excel in fundamentals and team playing.

"Link was one heck of a player," says Groth, "but we'll be better defensively and probably press the whole game."

Transfer student Darryl Makenthun and senior Bill Sangbusch are two new players who will set the tone early for the Rams.

The Rams need a spark and if Groth can generate it, look out! The Rams will light up the sky.

The Johnsburg Skyhawks may be a totally different team this year with their Coach Doug Hofmeister.

Last year the Skyhawks couldn't buy a victory or respect, but the new coach may make people turn their heads in the NWSC.

#### Bulldogs To Play Salem

The Grant varsity basketball Bulldogs will play a first non-conference game of the season at 8 p.m. on Friday, Nov. 22 against Salem at Salem, Wisconsin. The game preceeds a 6 p.m. sophomore game.

On Saturday, Nov. 23, the Bulldogs will travel to Wheeling to play at 8 p.m., following a 6 p.m. sophomore game.

#### **Lancers Second**

College of Lake County finished second in a season-opening junior college basketball tournament at Grayslake, defeating Highland of Freeport and Prairie State before losing to Moraine Valley of Palos Hills. 70-51 for the championship last Saturday.

Hofmeister coached the Class A champs, Lone Tree Iowa, to a 25-0 record last year and a 64-6 record the past three years.

So why would such a successful coach move on to a team that was 4-10 and 8-17 overall?

"It was time to go on...you get tired of one place," he replied. So in comes Hofmeister to "test the water" someplace else.

Bill Dust, Tim Shine (who led the team in rebounding last year) and Frank Husak can score and sore with the best of them, as they will lead this team in the balanced NWSC.

But the player Hofmeister can't afford to lose is Mike Tussan (6-2), who Hofmeister feels "... is the best shooter I've ever coached."

Being a new coach means the team will basically start from scratch and try to develop a winning tradition at Johnsburg.

"The freshman and sophomore groups are good and the eighth grade crop is dynamite," exclaims Hofmeister.

"We're developing a solid feeder system at the lower levels," he said.

However the season goes for the Skyhawks, one thing is for sure, basketball will become a tradition Skyhawk fans will look forward to.

Meanwhile, over in Wauconda, Bulldogs head coach Chuck Neary is in his third year.

Neary will be calling on standouts Mike Thirtle, Paul Nibbio and Kyke Eckman to carry the load this season. "We'll do what our personnel says we can do," says Neary.

Junior newcomers Pat Schaller, Rob Haefke and Ken Mrozek will help a senior-oriented team that will be "scrappy, and always playing hard," explains

Neary.

The season will be interesting for the Bulldogs in the NWSC if they want it bad enough.

"If we win the close ones, we'll have a lot of wins." says Tom Maple, in his 11th season at Grant.

Maple must worry how to replace nearly the whole team which ended-up 9-5 in the conference and 14-14 overall last year.

Easy, he has all of the juniors from a 25-2 sophomore team coming up.

Mike Kzalauski (5-8), Marc Borton (6-1), and Jeff Bieniesz will lead a young, but experienced Bulldog team.

"Last year we survived on offense," stated Maple, "we're very smart and hard working and we'll always look good."

Gone are all-conference players Mark Kohl and the team's leading scorer Frank Wehrstein.

Maple might miss the automatic scoring. We'll be more of a defensive team," says Maple.

In all, if Grant's defense matures fast enough, the Bulldogs may win the close ones and the waiting will end.

Two years ago, Round Lake was 1-24 on the season and the school was in need of a change. Then in stepped the pride brothers, Mike Dunn (football) and Bob Ward (basketball).

The Panthers went into the 1964-85 season under Ward's supervision and won 11 more games than the previous year.

The Panthers are now getting ready to battle for the NWSC crown, and there will not be an empty seat in the house.

"With all the pride in this school," states Ward, "the players all feel good to be part of this team."

"We have a very strong front line," said Ward.

Frank Ptak (6-3) is a three-time letterman and was chosen for last year's All-Conference Team. At (6-6), Greg Kreitner is the premier center in the conference and (6-2) Doug Sparks can score on anybody.

The feast of players does not end there: Greg Smith, Stuart Sullinger and Troy Haines will also work up a sweat on the floor this year for the Panthers.

Round Lake will be very strong off the bench with the likes of senior Bob Porteous and juniors Dave Antezak, Jim Bills, Ken Lime, Sal Milianti and Libertyville transfer student Bob Akers.

"Porteous will get some guard time," says Ward.

Brian Horn, P.J. Roynayne and Dan Duax are gone, but the Panthers remain strong.

"The personnel is different, but mainly we'll try to get the ball to the big three men."

The Glass Slipper may fit this year and with great fans, pride and positive attitude, the Panthers are set to fight for the conference championships.

YES, YOU CAN!

You may have seen many new satellite earth stations, or "dishes", installed in our area recently and asked yoursell, "Are those dishes legal?" or, "Can I have one of those?". Well, happily the answer to both questions is YES, in 1984, the U.S. Congress approved home earth stations designed for the recention designed for the reception of satellite broadcasts. Hot only are dishes legal to use, they are allordable, too. You can enjoy the freedom and wide variety of satellite television today.

### NEWPORT TOWNSHIP ASSESSMENT ROLL FOR 1985

### OFFICIAL ASSESSMENT LIST:

publication is the official notice to property owners of the 1985 changes in assessed value of and improvements in the Township of Newport. The 1985 assessments as published herein are determined by the Assessor and/or the Supervisor of Assessments.

s the duty of the Assessor to assess all taxable property on a uniform basis of valuation so that assessed values of the various properties are a just and equal assessment of such properties acing to law.

assessment roll recording the values of property determines only the distribution of the total bad among the individual property owners. The assessor of the Township and/or the Supervisor ssessments has no control over the amount of taxes levied, nor the public expenditures. The first of these assessed values does not determine the amount of your tax bill. The established tax does that. The Assessor does not make the rate; he merely finds the value of your property.

### ALIZATION

be following printed assessments, as well as all other assessments in the Township? are shown at 3% of market value, having been equalized to that level by the Supervisor of Assessments, who applied a factor of 0.9903 to all values except those assessed under the provisions of Secs. 20e, 1, and 44.1 of the Revenue Act of 1939, as amended.

determine the market value of your property, add the total of the land and total of the buildings divide the result by 0.3333. If it appears that the resulting number is higher than the market value property you may be over-assessed. If the resulting number is less than your opinion of market e, the assessment may be low.

### ANGEMENT OF LIST

you live in an incorporated area (city or village), your property is listed under the name of your for village which will be in alphabetical order. Each street within the city or village is also arranged sphabetical order. Property owners living on the same street will be listed as follows:

ond - property or improved property with no street number cond - property with street number listed in numerical order (may be approximate)

you live in an unincorporated area, your property is listed alphabetically by post office and street ne. Then, property without street numbers will be listed first followed by numbered properties in nerical order.

### DRMATION ON ASSESSMENTS

In property owner who has any question in regard to the assessment of his property should call local Township Assessor's office. This publication does not reflect reductions for Homestead imprions or disabled Veterans Exemption. Note that land value and improvement value appear carately, and should be added together to arrive at a total assessed value. Certain of the values dished will have been reduced by a Homestead Improvement Exemption, which under present law reduction in assessed value could be as much as \$10,000 below the actual assessment. These lies are subject to a State adjustment factor certified to the County Clerk by the Department of senue. Any property owner who objects to the amount of his assessment should file a complaint in ling with the Board of Review from June 1, to September 10, 1985, or until thirty (30) days after blication, whichever is later. Complaint forms may be obtained by telephoning (312) 698-6609 or by itten request to the Supervisor of Assessments, County Building, Waukegan, Illinois 60085-4339.

Questions regarding the grid system used in determining address numbers should be directed to Lake County Map Department, whose telephone number is (312) 698-6373.

## Vicksburg, Miss. A Historical Oddity

Vicksburg, Miss., on the river of the same miles from Chicagoland. Two weeks ago, when we arrived it was 85 degrees.

Mayor Demery Grubbs met us at the Ramada Inn welcome reception. "Why do Chicagoans visit Vicksburg, Mr. Mayor?" I asked. "Probably its history," he said, "The Battle of Vicksburg was a deciding factor in the Civil War and our Military Park is very popular. It's a historical oddity, but the Battle of Gettysburg, Penn., and Vicksburg, Miss. ended on the same day, July 4, 1863."

He went on to name other interests, such as it being the first location for bottling Coca Cola with the original machine still on display. Modern history is depicted at the Waterway Experimental Station established by the U.S. Corps of Engineers.

Conceived in 1929, after a great Mississippi River flood, it's a hydraulic testing area that covers 700 acres. Many of the country's major water resource studies are depicted in miniature here, such as Niagara Falls, Long Beach, New Orleans and others, Free guided tours are available between 10 a.m. and 2 p.m., Monday thru Friday.

But Civil War memories are only part of the attractiveness of this antebellum time capsule. The elegance of another period may be seen and enjoyed, as we did at Grey Oaks, where we experienced a morning garden breakfast.

Old southern recipes, presented by beautifully gowned belles with their musical drawl, hoop skirts and fussy attention to hospitality, was an unforgettable 'experience. Grey Oaks also offers bed and board rooms that include mint juleps on arrival, a tour of the home and 5 acres of grounds and gardens, plus breakfast in the formal, sterling silvered dining room. Cedar Grove is another such mansion, in town this time, it still carries a Union cannonball in one of the walls. It's Gone With The Wind elegance of the 1840's include the manor home with a small hotel, bed and breakfast.

The legendary lure of southern cooking is name, is a vestige to be visited, about 700 offered in abundance with the flair for southern fried hospitality in many fine restaurants...big and small. Ac-commodations, such as offered at the Ramada Inn, included a bathtub with therma-cuzzi...a combination of surging jet currents and steamroom equipment found in a selection of double rooms.

> As the mayor said, "Hospitality of the south reaches out in Vicksburg. Southern hospitality started here, has flourished and

will always be here." It's a nice goal for a tourist to sample. Details are available by calling, toll free, to the Vicksburg-Warren County Tourist Commission, 1-800-221-3536.

November is the time of year for us to think south. Planning for the jet, motorcoach, paddle-wheeler, or drive away, cannot be done too early. This may be the year to head straight south along the river, into the state of Mississippi. It's a pleasant way of reaching into history for a stopover or a destination that combines the friendly southern warmth of people and nature.

South seekers will ultimately arrive at the Gulf of Mexico, Chicagoland's closes coast line. Right now Mississippi Gulf weather is conducive to comfortable outdoor living, as ours grows colder. Remember, b-r-r sounds like the last three letters of November and December...the Gulf coast can remove it.

## Choosing The Right Family Dog Crucial

by CHARLENE WHITNEY

Well, if your family has decided to get a dog and you are allowed to have one where you live, then you still have many things to think about before you go out and buy one.

If no one in your family is allergic to pets and the kids and parents are all for it, you have 128 breeds recognized by the American Kennel Club or there are mixed breeds.

The mixed breed or so called mongrel is usually healthier than the purebred as they get new genes. The purebreds have often been inbred. It seems like each breed has some kind of a problem. With the German Shepherds, it's the hips and with the Irish setter, it's the skin, etc.

The large dogs such as Great Danes, Saint Bernards and Irish wolfhounds may show signs of old age at about four years and the life span may be seven to 10:

A medium-sized dog such as a labrador, golden/ retriever, springer spaniels, etc., usually live a couple of years longer. They start getting old about eight or nine years of age.

The small dogs like the toy poodle, fox terrier, dachshund and others, begin to get old at about the age of eleven and may live fifteen years or longer.

If you live in an apartment, you might want a poodle or dachshund as they are small and easy to keep. The dachshund has little hair to shed. However, the poodle needs to be trimmed and groomed regularly.

A hunting dog like a beagle or setter would not be happy in an apartment or a small yard. They would need lots might not be a very good idea.

However, a couple of small dogs such as the Boston terrier, are not fond of children. The Pekinese is a nervous dog that needs a lot of grooming.

When you pick out a dog, check out the temperment of that breed. However, I am not saying that is is always a good dog or a bad dog just

# Pet-Wise

of room to run.

A German shepherd would not make the best house dog as he has two coats that are continually shedding in warm climates. If kept in the house, it offers a warm climate; consequently he will shed. You would need to keep the vacuum cleaner. going to keep up the hair.

A big dog is not a good answer especially if there are small children. They get knocked down every time the dog walks by or they try to play with it. There are also big dogs that are not crazy about kids. A Saint Bernard, Old English sheep dog, or Doberman pinscher

because of its breed. I feel that a big percentage of the outcome depends on how the dog is raised and handled by the owner.

Children must be guided at all times and shown how to take care of the dog. They must be taught to let the dog eat, sleep or walk away when it has tired of playing, The child must be educated about the pet's rights and how to be gentle. No pet should be taken home to take the place of a child's toy. Keep in mind that you will have this pet for a good many years of its full lifetime.

Just because a puppy is cute and small at the time. you bring it home, doesn't mean this is the size it will be when grown. Stop and think about the adult size when picking out this dog. If you have a small yard, it will not suit a large dog.

If you plan to get a mixed breed, try to find out the breed and size of the paren-

He will also confer various Lake County ess leaders.

fund-raiser, set for :30 p.m., is being dinated by North go Chamber President Byrne, (312) 689-1111.

an's most recent visits ake County were two ngs concerning five ld Illinois" projects. egislation passed by the ral Assembly included add-on" projects to the ld Illinois" package, h \$135 million. In the year of the eight-year program, only \$69 million is available for these "add-on" projects.

The governor asked the Lieutenant Governor to chair a "Build Illinois Team" to travel the state to determine the feasibility and quality of each of the "Build Illinois add-on" projects.

On Sept. 10, Ryan met with the mayors of four Round Lake communities to assess projects worth \$1 million for various sewer, water and street repairs.

The amount of requests is less than eight percent of the total costs of the various projects and will act as "seed" money to get those projects underway.

On Oct. 25, Ryan met with North Chicago officials concerning a \$500,000 "Build Illinois" grant for planning purposes to develop a farreaching marina project.

Over a nine-week period, Ryan visited 45 different Illinois cities to assess the 108 "Build Illinois add-on" projects. He is expected to make his recommendations to the governor in mid-December.

Earlier visits to Lake County involved Senior Citizen activities with the American Assn. of Retired Persons in Waukegan, a drug and alcohol abuse prevention program at a Deerfield junior high school and several civic celebrations.
